PACIFIC GAS WILL MEET THURSDAY IN CONFERENCE

There will be a meeting of the operators of the Washington Gaston Ridge region with officials of the Pacific Gas and Electric Company on Thursday evening, April 11th, at 7:30 p. m. in the Nevada City offices of the power company. The purpose of the meeting is to discuss a plan for a power line into the region for service to the mines. The meeting will be open to all operators interested in such a line and all such interested parties are expected to be in attendance.

This is the largest forward looking movement enacted in behalf of the mining industry of this county in many years as the installattion of electric power will unlock vast mineral resources in the so called "East Belt" extending from Washingtton northward through Granitteville, the Poorman Creek countrty, across the Middle Yuba into Allegheny and Downieville. It has probably the largest gold resources of any similar section in the sttate and which have been practically untouched these many years owing to poor power facilities.

The willingness of the power company officials to enter into negotiations at this time is a favorable omen for the future of the industry and it is to be hoped that the outcome will mean the construction of a transmission line into the Gaston Ridge country where the Rescue Eula and Yellow Tiger interests have already spent many thousands of dollars in opening up two of the most promising properties in the county. Messrs Schiffner and Bettles are the type of practical mining executives that will put any promising district over and their advent into this county has marked a new era of development for our golden resources yet lying unlocked in mother earth. More power to them and their companies.

The Pacific Gas executives have shown such a willingness to pioneer in other lines of industrial activity throughout their widespread territory that it is to be hoped they will have a plan to offer which will make possible the early construction of the new line. Only about five miles of new construction would be necessary to bring the Alleghany line to the Gaston property and if the company is expecting to take a new line into Downieville from the Deer creek power house which is already hooked up with Drum plant with a 60,000 volt line, the Gaston extension of the Alleghany line would cover approximately half the required distance. The other mining interests in the Gaston and Graniteville country are following the negotiations with considerable interest

MARTEL RETURNS

A. P. Martel of Rough and Ready returned the past week from a four month's visit with his daughter, Mrs. W. D. Ryan at Palo Alto. He reports the orchards of that section a solid mass of bloom and a beautiful sight to behold. He was present at the dedication of the highway bridge spanning San Francisco bay from San Mateo to Haywards. Mrs. Ryan, who was born at Grass Valley will be well remembered as Sadie Martel. Mr. Martel's many friends were glad to greet him again.

MRS. CAMERON PASSES

Mrs. John Cameron, mother of Mrs. Andrew C. Larsen of this city and Mrs. W. E. Moore of Grass Valley, passed away at San Jose last week.

District Deputy P. G. Scadden was in Woodland last Tuesday night to conduct installation ceremonies for the Elks there. He was accompanied by J. J. Fortier, E. J. Kilroy, J. E. Huy and V. V. Foley.

Official Court Reporter Miles D. Coughlin was a business visitor in San Francisco during the week.

Dr. and Mrs. A. H. Tickell were business visitors in San Francisco recently.

H. J. McNeil was in town from Goodyears Bar Monday on his way down to Mare Island to enter the hospital there for treatment.

NEW HOIST ARRIVES FOR BESSLER MINE

A new hoist has been taken in to the Bessler mine at Downieville by A. D.Frumento, who is financing the operations at that property. The hoist is run by a tractor engine but the company expects to use electricity as soon as the power company gets under way. The working force has been kept busy cutting timbers of late due to the old hoist giving out but the new hoist on the job has them back at work again underground.

DONATION DAY WILL OCCUR ON WEDNESDAY

Owing to the inclement weather Friday, Donation Day was postponed to next Wednesday at which time the Elks will take charge of the parade. J. Chester Scheemer has been selected as grand marshal of the day. The affair is annually given for the benefit of the Nevada City Benevolent Society and is an event of many years standing. The parade will form at the Washington grammar school and paradae through the business section.

TAHOE UKIAH HIGHWAY WORK IS COMMENCING

Actual construction work on the Tahoe Ukiah state highway is scheduled to commence early this week. Contractor C. R. Adams is on the ground and assembling his crews. Work will be rushed from both ends of the 11.7 mile stretch and equipment is arriving. Clearing of the right of way will be the first work undertaken and this will be closely followed by excavating and filling to grade.

MRS. ELIZABETH MILLER PASSED AWAY THURSDAY

Mrs. Mary Elizabeth Miller passed away Thursday evening at the family home in Nevada City. She suffered a stroke of paralysis a few weeks ago. In attempting to arise while her daughter was out of the room she broke her leg and the two injuries were too sereve for her to overcome.

She was a dearly loved mother and neighbor to all who knew her.

To Mr .and Mrs. Miller ten children were born seven of whom survive. They are Mrs. E. G. Meadows of Glendale, Mrs. E. H. Becker of Yuba City, Mrs. E. C. Hunt of Grass Valley, Mrs. M. L. Capps of Sonora, George Miller of Nevada City, and Russel Miller of Grass Valley, and W. J. Miller of Sacramento. She grieved deeply over the death of M. M. Miller who died in South Africa about a year ago. Two other children Maud and Fred passed away a number of year ago. There are also 13 grandchildren and 5 great grandchildren.

Mrs. Miller was born in Howland Flat a mining camp in Sierra county nearly 70 years ago. Her entrie lif ewas spent in Sierra and Nevada counties. Mr. and Mrs. Miller had been married 51 years. They lived at French Corral many years, then moved to Montezuma Hill and to Nevada City about 3 years ago.

W. R Jefford and Son had charge of the services which were held from their chapel Monday morning at 10 o'clock. Rev. H. H. Buckner conducted the services, and interment was made in the San Juan cemetery

CHRISTENING SERVICE

The young son of Mr. and Mrs. E. J. N. Ott, Jr., of Sacramento was christened at Trinity Episcopal church last Sunday morning following the regular services. Others christened at the same services were Betty Jane Rore, Grace Towle and Fay Murphy.

A 40 ton bouled fell down a stope on the 1000 level at the Murchie property yesterday, causing considerable damage to air and water pipes in the drift. It will be necessary to blast it out and take it to the surface.

Mr. and Mrs. Andrew Larsen attended the funeral of her mother, Mrs. Cameron, at San Jose last Friday.

MANY CALLS ARE COMING FOR THE SPECIAL NUMBER

Calls for copies of the forthcoming mining review to be issued by The Nugget during the present month continue to pour in to this office. Calls coming from city librararies indicate that the issue is considered of sufficient interest to be used for reference work.

The book is already under way and will go to press as soon as necessary illustrations and maps can be secured and made up. The various articles covering different phases of mining in this and Sierra counties are coming in and being set up. This office is going to a large expense to produce the issue but with the splendid cooperation already vouchsafed shows that our efforts in behalf of the gold mining industry the past three years have not been in vain.

If you have not already placed your order you should do so at once as we wish to know prior to going to press how much of an edition must be printed to supply the demand. Telephone No. 36 or send in your number wished reserved and they will be held for you.

Orders for copies of the special mining review continue to pour in from widely scattered points which shows the widespread interset being taken in the issue. A number of eastern points are represented in the orders which is an encouraging sign for our future mineral activities.

GRAND MATRON ORDER EASTERN STAR COMING

Mrs. Pauline Ada Hause, Worthy Grand Matron of the Order of the Eastern Star, California jurisdiction, will pay her official visit to this county next week Tuesday night. Due to the condition of the Grass Valley lodge hall, the meeting will be held in the Nevada City Masonic Temple but Aurora Chapter of Grass Valley will act as hostess on that occasion.

The Grand Matron's visit is always the occasion for a large turnout of the members.

MRS. SMITH ENTERTAINS MEMBERS THURSDAY CLUB

Mrs. E. W. Smith entertained the members of the Thursday Club of Gold Flat at her Park Avenue home the past week in a most entertaing manner. There was a full attendance of the members who spent the afternoon in playing games and social patter. Refreshments were served. Mrsfi Alva Conley, daughter of the hostess, assisted in entertaining.

Lee Day, who has been employed at the Salmon mine at Badger Hill, while riding the skip to the surface early last week, fell when it tipped but he hooked a timber with his arm and held on until the skip could be lowered. He suffered but minor bruises, but was brought to Nevada City and given medical attention by Dr. R. E. Werner.

Mr. and Mrs. Fred H. Cronwell of Los Banos and her mother, Mrs. Addie Jones of Healdburg were visitors here the past week, returning from a visit in North San Juan where Mrs. Jones was born 71 years ago. She left here when but three years of age and had not returned in all those years to visit the scene of her birth. They called on W. P. Miller while here who recalled many of the old friends and relatives.

Mr .and Mrs. E. W. Smith had as visitors Easter the following, Miss Edna Smith teacher in the Richmond chools, and Mr. and Mrs. Charles Hall of Folsom.

H. J. Gould was elected fire commissioner for Downieville at the election there last week. James Dugan received 21 votes on a write in to 43 votes for Gould.

E. A. Kiser of Downieville was a business visitor in Nevada City Friday.

Mr. and Mrs. E. W. Schmidt motored to San Francisco and returned with their daughter, Miss Mary, who spent her Easter vacation here.

EQUIPMENT FOR GASTON MILL IS ARRIVAL HERE

Prejarations are going steadily ahead at the Gaston Ridge properties to commence milling operations by the end of the present month, according to General Manager O. E. Schiffner of the Rescue Eula company which has the mine under bond and option.

A Dorr classifier and an elevator for the mill now under construction reached Nevada City Saturday and will be taken to the property as soon as possible. The late storm has put the roads into somewhat bad condition but no delay is anticipated in getting the new equipment to the site and getting it ready for operaions.

General Manager Schiffner has returned from a business trip to the city and has gone to the property to supervise operations. Development work is progressing satisfactorily.

NEW ELECTRICAL SHOP OPENED BY FOUNDRY

On another page of this issue will be found a formal announcement of the opening of a new electrical shop in Nevada City by the Miners Foundry. Leicestor B. Gregory, well known here, will be in charge of the new activity. A complete stock of parts will be carried at all times.

It is of interest to note that the Miners Foundry Garage was the first garage to be operated in this section and the foundry itself is one of our earliest business institutions.

GOLF COURSE FEES RAISED FEW KOPECKS

Fees for non-residents and guests at the local golf course have been raised to one dollar for week days and one fifty for Sundays and holidays by action of the board of directors taken the past week. All members not paying the present stock assessment by Wednesday will have to have their shares listed as delinquent.

The new No. 8 fairway and green which has been put into play has been highly complimented by the various players as being one of the best on the course. It is the longest hole to play.

NATIVE DAUGHTERS CARD PARTY WELL ATTENDED

The card party given by the Native Daughters last Wednesday evening was well attended. Prizes for the evening were awarded to Miss Frieda Hieronimous , Miss Lenore Steger, A. Hartung and J. M. McMahon .Refreshments were served.

ELKS HOME MEETING

A meeting of the Nevada City Elks Home holding organization for the local Elks property was held the past week and reelected its its officers for the coming year as follows: Fred Searls, president; S. Lee Leiter, vice president; P. G. Scadden, secretary; G. J. Rector, treasurer; W. W. Waggoner, W. B. Celio, and H. C. Schroeder, directors.

WITH THE LIONS

Louis W. Kopp will be chairman of he day at the noonday luncheon of the Lions Club tomorrow at 12:15 The speaker will be Dr. Leader of the Sacrameneto Junior College and his talk will be on topics of the day and early history of mining.

Miss Grace Lotz underwent a serious operation at the St. Helena Sanitarium the past week and is resting easily. Mr. and Mrs. W. H. Lotz, the parents, went over to St. Helena to take her to the sanitarium the previous week. Mr. Lotz went over to be with her during the operation.

William Maguire was a business visitor in San Francisco returning home early in theweek.

Mr. and Mrs. E. T. Leiter of Oakland spent last week end here visiting their son, Charles, and wife.

FARMERS OBJECT TO DELAYS IN CONTRACT

Two members of the landowners committee, J. F. Francis and H. W. Robinson, appeared before the board of directors of the irrigation district Friday to protest against the delay in landing the second contract from the Pacific Gas and Electric Company to help meet maturing obligations of the district. The suggestion was made that more centralized authority and the employment of a specialist to conclude the long drawn out negotiations with the power company might expedite matters consierably. Manager Miller stated that the progress had been about as satisfactory as could have been accomplished so far. The entire board will meet with the power company today in San Francisco and endeavor to push matters a little faster.

FIREMEN HAVE FINE TIME AT NATIONAL

The fire laddies enjoyed a fine banquet Wednesday night at the National Hotel as the guests of Mr. and Mrs. Fred C. Worth who wished to show their appreciation of the excellent work done by the firemen in saving their property from complete destruction some months since.

After an appetizing repast served in the banquet hall, E. J. Kilroy acted as toastmaster in a pleasing way and introduced numerous speakers who held the boards until a late hour. It being also the birthday of R. L. P. Bigelow he was shown special honors to which he fittingly responded. The occasion was one long to be remembered by the large assemblage present. City Marshal Hi Shearer, Night Watch Will Jeffrey and Harry Davey of the trouble shooting force of the Pacific Gas came in for generous praise for their work in connection with department affairs.

Resolutions were passed extending the sincere thanks of the department affairs.

Resolutions were passed extending the sincere thanks of the department members to Mr. and Mrs. Worth for their thoughtfulness.

MRS. SCADDEN IS PLEASING GUILD HOSTESS

Mrs. Phillip G. Scadden proved a charming hostess for the meeting of St. Agnes Guild at her Coyote street home Thursday afternoon. Games and refreshments were enjoyed. Guild meetings for the balance of the spring season will be held with Mrs. O. E. Schiffner on Prospect Hill.

Rev. Buckner returned Thursday from making a tour of his parish and giving to over two hundred his Easter message of good cheer. Services were held in San Juan Sunday afternoon, Downieville Sunday night. On Monday night he spoke to nearly sixty at Sierra City. Tuesday night he again spoke at Downieville and Wednesday night at Camptonville.

C. B. Calkins of Chatsworth and J. H. McLaurin of Los Angeles have been spending the weekend here and looking after mining interests in this section.

Miss Elaine Mobley was up from Auburn to spend the week end with her parents, Mr. and Mrs. W. L. Mobley.

Mrs. E. J. Fleming, nee Ida Bloss of Nevada City, passed away last week at Glendale. The Blosses formerly lived near the Gold Run bridge.

Mrs. M. Angiolini, who was operated upon at the Nevada City Sanitarium during the week by Dr. R. E. Werner, is making a quick re-

Ed Begal fell from a ladderway at the Murchie mine Thurday onto a pile of rock, dislodging a boulder which cut a gash in his scalp. He suffered a bruised ankle and other injuries of a minor nature. An X-Ray was taken at the Werner studio of the ankle.

E. A. Langford was here from San Fafael Friday on business connected with the estate of the late R. Foster Williamson of Washington.

Mrs. S. M. Katzer spent two weeks in Santa Barbara and San Francisco.

LOGAN STATES MINING REVIVAL HEADS THIS WAY

C. A. Logan, head of the Sacramento division of the state mining bureau was a Nevada City visitor Friday afternoon while on his way out from making a thorough survey of the Sierra county mining. He was a caller at The Nugget office and was quite enthusiastic over the prospects for a revival of interest in gold mining in this and Sierra counties. He is preparing a bulletin on the mines of Sierra county which will be out in the next couple of weeks.

He stated that there was no doubt but that there is a great deal of mining activity in this particular section of the state and that capital is headed this way to open up properties long dormant. Nevada and Sierra counties should open up in great shape in the next two or three years. There is a considerable demand for quartz prospects at the present time. Brand new prospects are needed rather than old holes filled with water. Owners of these claims should be willing to let a responsible operator open up the property without any down payment. Exacting a down payment too many times kills what might turn out to be an advantageous proposition for both parties. There is a whole lot for people to learn about promoters who come along looking for properties. Owners should ascertain if the promoter actually has the cash in hand to handle development work in an adequate fashion. In addition to giving liberal terms the owner should exact something as to how the promoter is prepared to carry out his end of the bargain.

There is a good future for hydraulic mining in Sierra county. Plenty of hydraulic ground is available. There are several large tracts that doubtless could be worked by well financed companies. They must be operated under good management to insure good returns to the investors. The Bullards Bar dam offers great opportunities for storage rather than trying to build individual dams.

There are good opportunities for quartz mining in Sierra county at the present time, especially along the northward extension of the serpentine amphibolite contact. Some very promising quartz properties are located in the northern part of the county near the Plumas line. The Sierra City district is not making the progress it should as there are numerous promising prospects there.

The new highway between Downieville and Sierra City will help a great deal toward opening up Sierra county mining. The new electric power line promised for the Downieville section will accomplish a great deal.

Mr. Logan stated that there were good opportunitites existing at the present time for opening up copper properties due to the high prices reigning for copper in Nevada county.

Mr. Logan has been connected with the work of the Bureau nearly continuously since 1915 and has had charge of the Sacramento division since it was first formed. Originally the district comprises all the northern portion of the Sierra Nevada countries but since the formation of the Redding district its territory has been largely cut down.

The excellent success by the gas companies in stabilizing the price at the highest it has been in years is now being emulated by the egg producers of the county who think they ought to be getting more coin for hen fruit.

R. L. Egenhoff, engineer of the Debris Commission, and daughters, Betty and Adriena, visited friends in Nevada City. They motored to Camptonville where Mr. Egenhoff went on offical business.

B. F. Ballard, mining man of Santa Rosa, arrived in Nevada City Friday evennig. He is interested in the Brush Creek mine.

Mr. and Mrs. Charles L. Salmon spent the wek end in Manteca with relatives.

Judge J. F. Pullen was up from Sacramento Friday to hold court on calendar day.

FRENCH CORRAL ITEMS

FRENCH CORRAL, April 6, (Special to The Nugget)—Well, the season of Lent is at an end, and we feel sure that all fel better for having performed a little extra devotion during that time. As has ever been the custom in these parts, the faithful with their friends repair to St. Columbkil church in Birchville on Good Friday afternoon, and there in their simple way commemorate the death of our Savior, through that beautiful inspiring devotion "The Way of the Cross" in which they accompany Him on His sad and heartrending journey to Calvary.

It is edifying to note that thi custom is becoming general with all classes. Oh there is so much goodness in this beautiful world if we only try to find it, and help to bring it out!

A timely rain was given to us Wednesday night and Thursday. It cleared off Thursday evening and turned cold. The rain began again through the night and was accompanied with rather a high wind for awhile.

Willis King and Wm. Granholm are new residents having become interested in the mine owned by Thomas Meyers.

Messrs. Correa and Campbell of Lincoln were business visitors Fritomobile.

Albert Moynihan of French Corral has been visiting with friends in San Francisco for the past week. This is Albert's first trip to the City and from his letters we are sure he is enjoying it to the utmost

Mrs. Harold Osgood, Mrs. C. M. Osgood ,Miss Osgood and Mrs. Jackson were Good Friday visitors at the home of Mrs. W. E. Moulton.

Mrs. Harold Osgood who is a niece of Mrs. W. E. Moulton remained until Sunday when with her husband she returned to Bangor where she teaches school.

The election of school trustees for the French Corral school district was held March 29th. rs. Kate M. Sullivan, the incumbent, was reelected without opposition.

J. W. Culver had business in Ue vada City Friday.

Ernest Collins and Stanley Hannel were here Friday looking for stray horses.

Mrs. J. M. McCullough and son, Bill, of North San Juan were Sunday visitors.

Harold Clymo of Benicia came to French Corral Sunday. On his return he was accompanied by his mother, Mrs. Florence Clymo, and brother, Frankie, who have been visiting with Mrs. W. E. Moulton and family.

Mrs. E. Granholm and children and Elmer Granholm of Nevada City were Sunday visitors.

Mr. and Mrs. Gordon and Mrs. Ed Taylor and daughter, Irene, of Sacramento were Easter callers at the home of their friend, Mrs. De Prati.

W. P. Clerkin and Rob McCullough returned from Browns Valley Tuesday night bringing cattle belonging to W. P. Clerkin to the

Mr. and Mrs. W. E. Moulton made a trip to Nevada City Wednesday.

EDITORIAL

The annual observance of Donation Day ,which was last Friday, is one that deserves the support of everyone. No more worthy cause than this comes before our community. Each year many families are assisted by the Ladies Benevolent Society, which as usual had charge of the affair. Help is always rendered those in need whether they be natives of the town or recent arrivals.

The parade, which was headed by the Nevada City Elks followed by the pupils of the grammar and high schools helped to inspire a feeling of generosity in the minds of the people.

Note—We are running this editorial in spite of the fact that Donation Day was postponed, hoping this editorial will inspire a feeling of giving in the minds of the people. luncheon for the Student Body. Committes were appointed and it was

SCHOOL IMPROVEMENTS

Several improvements have been made on the high school grounds. The tennis court is nearing completion. The cement is set and the white lines have been laid. The fence will be put up Saturday.

The boys and Mr. Isensee have dug the ground around the building for the shrubs which have been donated to the school by the Womans' Improvement Club. The front field has been scraped off for the baseball diamond.

JUNIOR CLASS NOTES

The preparations for the Junior Prom which is to be held Friday evening, April 26, at the Redmen's Hall are progressing rapidly. The hall is to be beautifully decorated with the class colors, green and white, and the class symbol. The juniors are trying to make the Prom the biggest and best affair this year.

MR. KJORLIE ILL

Mr. Kjorlie, junior class adviser, has been confined to his home for a few days on account of illness. It is hoped that he will soon recover and will be able to be back to school this week.

Arthur F. Isensee returned Sunday from the school principals convention held at Oakland during Easter week. He enjoyed a trip in the air while there. Mrs. Isensee and son spent the week at Modesto with Mr. Isensee's parents.

C. H. Jones of Sweetland was a Nevada City visitor Monday.

MONEY SAFE IN THE BANK

While others may be tossing on their pillow wondering how they may recover the money they have lost in the decline in the price of their stocks, their stocks, the man or woman with a savings account is sleeping peacefully, happy in the thought that all that has been earned and saved is still intact and earning interest.

It is a matter of figures that the person who works and saves adding to his savings as the years go by, is better off in the end than the person who takes risks with his money and attempts to make money rapidly and in huge chunks. Many who have ried it are convinced that it is not always satisfactory.

For the person who can afford to take risks stock buying is a fascinating game. For he average person whose money comes hard and slowly the savings bank is the proper place for it.

GHIDOTTIS LEAD THE ELKS BOWLING LEAGUE

By taking two points of a hotly contested series from the Lobdells Tuesday night the Ghidottis pulled into the lead by the margin of one point in the third tournament on the Elks alleys. The Durbins by taking but one point from the Trevithicks went into second. The Leiters by annexing four from Jim Penrose's league of nations hopped into third and the Lobdells and Penroses are inspecting the cellar.

The bowling was but mediocre for the week, the leaders all taking a slight slip in their averages with the exception of Bigelow who stepped up two points by some classy work Wednesday night. Dick leads in total spares for the two weeks of play by one point but his strike total is low. Making strikes seems to be the larget handicap to overcome for nearly every bowler and getting them in a row beyond doubles is harder still. Micky Schultz was down from the Eagle Bird mine several days the past week and he was up on the alleys showing the boys what proper form is if you want to get high marks. He pulled off a 203 average in some big tournament werg some years ago in the city so that his work was closely watched.

Only one total above 500 was made for the week. Curnow was in second place for high total, beating Bigelow by one pin. Pierce with 476 was in fourth and from there down the line the boys were badly scattered. Curnow climbed up into second place in the individual averages by his consistent owrk and leods Bigelow by one in that end. Hegarty had an off night with his work Wednesday night while Mobley in his last game was able to get but 82 pins, one of the lowest games rolled this winter. Mobley is showing but little of the form that put him in the top rank during the first tournament and he has slipped almost 20 pins in his average since that time.

High game honors went to Scheemer who put over a 198 count in the final session to pull the Gridottis from going to the cleaners in their tangle with the Lobdells who were out for blood. He throws one of the best balls on the alleys but the breaks have been against him quite regularly. Captain Ghidotti put over a 178 in the final game to help take the two points.

With but three weeks to go the season will be closed until next fall for the tournament work. The personnel of the new bowling committee has not been announced by incoming Exalted Ruler Dick Goyne.

Doubles— Ghidotti, Willoughby, Breese 2, Tamblyn, Bettles 3, Trevithick, Carter, Pierce 2, D. Richards 2, Penrose, Hegarty 2, Mobley 2, Celio 2, Bigelow 2, P. Carr.

Triple—Carter.

Quadruple—Scheemer.

JIM STEWART WRITES OF EARLY PLACER MINING DAYS

(By James D. Stewart)

Continued from last week

There seems to be much misunderstanding amongst both the hydraulic mining fraternity and the farmers of Sutter county regarding the effect of the pending legislation on the industry and the rights now claimed by the farmers and what will happen if the state and federal governments join to build the dams and put the industry on its feet. This question was raised before the mining section of the Commonwealth Club. As it was a legal question and one for lawyers to decide, the chairman of the section, an oil geologist and the sub-chairman an assayer and metallurgist, decided to procure the advice of a competent legal mind to enlighten the section.

Wm. E. Colby, an authority in these western states on mining law, kindly consented to make the necessary search and preparation, and on Jan. 25, 1928, addressed the section. The following is taken from the secretary's minutes of the meeting:

"We can start this discussion with certain basic propositions that will be generally conceded:

1. In California mining and also farming are private enterprises. In many of the other western states both mining and agricultural pursuits have a sufficiently public status or interest so that private individuals who are either mining or farming possess the right of condemnation for right of way, for mine workings, tramways, mining and irrigation ditches, etc. The Supreme Court of California, however, has taken the conservative view, and private individuals in this state do not possess this power of condemnation.

2. Hudraulic mining is not por se unlawful. It is only when it is so conducted as to result in injury to others that it may become unlawful as against such damaged individuals.

"In neither of these decisions (referring to the Woodruff, etc. cases) was mining by the hydraulic process regarded, in and of itself, as unlawful. That it is not unlawful, but highly useful and commendable, when properly conducted, and without injury to the property or rights of others, hardly needs judicial decision. In Yuba Co. v. Cloke, 79, Cal. 239, 234, 21, Pac. 740, 741, the supreme court of California said:

"It seems to us it must be conceded that the business of hydraulic mining is not within itself unlawful or necessarily injurious to others. The unlawful nature of the hydraulic business results from the manner in which it is carried on, and the neglect of parties engaged therein to properly care for the debris resulting therefrom, whereby it is allowed to follow the stream, and eventually cause injury to property".

U. S. v. North Bloomfield Gravel Min. Co. 81 Fed. 243 at 249.

3. Even though hydraulic mining is conducted without damage to others, it cannot be carried on without a permit from the board of army engineers created by the Caminetti Act.

4. Even though this board of army engineers has issued a permit this does not authorize hydraulic mining to be carried on if it results in actual injury to others. See County of Sutter vs. Nichols, 152, Cal. 688.

In issuing an injunction forbidding mining which has resulted in injury to others, courts are not influenced by the "balance of convenience" or relative damage. It is immaterial whether or not the injury to the hydraulic miner from closing down will resut in much greater financial loss than would be the damage to the farmer if the miner continued his operations. Any substantial injury to the property of another would justify an injunction. See Arizona Copper Co. v. Gillespie, 230, U. S. 46.

The balance of the review of Mr. Colby's interesting talk will be concluded in the next installment, as it is the most enlightening argument advanced yet on the legal phases of injunction as applied to hydraulic mining, both past and contemplated, under proposed legislation.

OLD FOLKS SAY DR. CALDWELL WAS RIGHT

The basis of treating sickness has no changed since Dr. Caldwell left Medica College in 1875, nor since he placed o the market the laxative prescription h had used in his practice.

He treated constipation, biliousness headaches, mental depression, indigestion sour stomach and other indisposition entirely by means of simple vegetable laxatives, herbs and roots. These ar still the basis of Dr. Caldwell's Syrup Pepsin, a combination of senna and other mild herbs, with pepsin.

The simpler the remedy for constipation, the safer for the child and for you And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs?

A bottle will last several months, and all can use it. It is pleasant to the taste, gentle in action, and free from narcotics. Elderly people find it ideal All drug stores have the generous bottles or write "Syrup Pepsin," Dept. BB Monticello, Illinois, for free trial bottle

Makes Life Sweeter

Children's stomachs sour, and need an anti-acid. Keep their systems sweet with Phillips Milk of Magnesia!

When tongue or breath tells of acid condition,—correct it with a spoonful of Phillips. Most men and women have been comforted by this universal sweetener—more mothers should invoke its aid for their children. It is a pleasant thing to take, yet neutralizes more acid than the harsher things too often employed for the purpose. No household should be without it.

Phillips is the genuine, prescriptional product physicians endorse for general use; the name is important. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

After all, what is the most important thing in baking?

Is it measuring and mixing ingredients? Is it selecting *certain* ingredients? All Home Economists know that after all, the most important thing is the correct oven temperature.

For almost anyone using care can measure and mix good ingredients accurately and follow a tested recipe. But in the baking—that's where all your best efforts meet the real test.

Today, leading Home Economists are turning to a device that keeps the oven at any temperature. It is called the Oven Heat Control and is a part of the new Gas Range.

See these new Gas Ranges at your dealer's. Or phone or call at our office.

MRS. JONES VISITS AFTER MANY YEARS

North San Juan, April 6.—Judge and Mrs. F. H. Cronwell and little daughter of Los Banos accompanied by Mrs. Cronwell's mother, Mrs. Addie Jones, of Healdsburg paid a short visit here last Monday. Mrs. Jones, as Addie Dorman, was born about one mile from North San Juan on March 9, 1858. Her father, Issac Dorman had a sawmill near here which he built in 1852 or 1853. The family moved away from here in 1861 when the sawmill burnt down.

This was Mrs. Jones first visit to her old birthplace. Altho only three years old when she moved from here, Mrs. Jones remembers several incidents quite clearly. One was a visit to the circus which came to San Juan at that time.

Altho Mrs. Jones has her home in Healdsburg she has been visiting since November in various places with her six sons and daughters. She has recently been visiting in Sacramento. Judge and Mrs. Cronwell came up from Los Banos to visit some friends in Colfax and brought Mrs. Jones here on the visit to her birthplace.

Mr. and Mrs. J. M. McDonough and daughter, Thelma, and Mrs. McDonough's sister, Miss Olsen of Sacramento spent the week end at the hotel here. Mr. and Mrs. McNonough and daughter, Thelma, were to return Sunday, but developed car trouble and had to remain until parts could be sent from Sacramento. Miss Olsen plans to remain a month to rest and regain strength.

Gordon Kessler came up from Santa Barbara Friday in answer to a telegram telling him of Mrs. Kessler's illness. He ws accompanied by Mr. Covell, who had gone outh recently.

Mrs. J. J. McCullough returned to her home here Friday night after a two week's visit to the bay region Her son, Will, drove her up and remained for the week end. Gene McCullough and another cousin accompanied them here.

Mrs. J. A. McIntyre and grandson left here Wednesday after a three month's visit with her mother. Mrs. Fergerson. Mrs. Charles Elliot drove up to take her to Nevada City where she spent ten days before returning to their home in Poulson, Montana.

Miss White, the county nurse visited here Tuesday morning and Wednesday afternoon.

Dr. Carl Jones, county health officer, paid San Juan a visit Wednesday and quarantined the Gordon Kessler and Wm. Kessler families for smallpox.

The trustees of San Juan decided to close the school for a few days owing to health conditions.

Dr. and Mrs. Corbett and two boys returned to their home in Oakland Monday after spending a week

Easter services were held in the church Rev. Buckner bringing to the people the beautiful Easter message. Mrs. F. M. Harris played for the congregation singing. Mrs. R. E. Harris sang a special number accompanied by Mrs. Charles Elliot.

NURSES know, and doctors have declared there's *nothing* quite like Bayer Aspirin for all sorts of aches and pains, but be sure it *is* genuine Bayer; that name must be on the package, and on every tablet. Bayer is genuine, and the word genuine—in red—is on every box. You can't go wrong if you will just look at the box:

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid

In 5 MILLION HOMES TONIGHT

A host of babies will enjoy sound sleep tonight. And their parents will have unbroken rest. Castoria is the cause of this contentment in a multitude of homes.

Good old Castoria! Children cry for it. Mothers swear by it. Not a household where there is an infant should ever be without it. A few drops of Castoria quiet Baby in a perfectly innocent manner. It is natural slumber that follows. Castoria is a purely vegetable product. No opiates. No narcotics. Of any kind.

Now you know why trained nurses give Castoria as often as an infant is ailing, or even restless. And why doctors tell mothers it is the first and only home remedy when Baby has constipation, colic, diarrhea, or other upset. It is made for babies, and safe to give babies, and other things are not.

Fletcher's Castoria is "old-fashioned" if you count its fifty years, but it's an old-fashioned mother, nowadays, who worries along without it. Twenty-five million bottles bought last year! Think of the number of mothers who rely on Castoria! All these mothers can't be wrong! To keep a bottle in the house is a precaution you owe your little one.

Children Cry for Fletcher's CASTORIA

In the Superior Court of the State of California, in and for the County of Nevada.

ECHO M. GOODWIN and LUL GOODWIN, his wife, Plaintiffs,
—vs—
JOHN W. O'NEILL; A. A. CHARONNAT; I. C. LINDLEY, S. T. ALLEN; NEVADA IRRIGATION DISTRICT, a corporation, AND ALSO ALL OTHER PERSONS UNKNOWN CLAIMING ANY RIGHT, TITLE, ESTATE, LIEN OR INTEREST IN THE REAL PROPERTY DESCRIBED IN THE COMPLAINT ADVERSE TO PLAINTIFFS' OWNERSHIP OR ANY CLOUD UPON PLAINTIFFS' TITLE THERETO, Defendants.

Action brought in the Superior Court of the State of California, in and for the County of Nevada.

W. E. WRIGHT, Attorney for Plaintiff, Nevada City, California.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO: JOHN W. O'NEILL, A. A. CHARONNAT, I. C. LINDLEY, S. T. ALLEN, NEVADA IRRIGATION DISTRICT, a corporation; and also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to Plaintiffs' ownership, or any cloud upon Plaintiffs' title thereto, Defedants.

You and each of you are hereby directed to appear and answer the Complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within Ten (10) days after the service upon you of this summons, if served within this County, or within thirty (30) days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required the said Plaintiffs will take judgment against you for any money or damage demanded in the Complaint as arising upon contract or they will apply to the Court for any other relief demanded in the Complaint.

The said action is brought by the above named Plaintiffs against the above named defendants, and each of them, to quiet Plaintiffs' title to the land and real property described in the Complaint on file in said action and hereinafter particularly described and to determine the adverse claims of the above named defendants, and each of them, and of all unknown persons to, and clouds upon the title to the said real property and the whole thereof pursuant to the provisions of Sections 749, 750 and 751 of the Code of Civil Procedure of California, and that said real property is situate, lying and being in the County of Nevada, State of California, and is particularly described as follows, to-wit:

All those certain lots, pieces or parcels of land situate, lying and being in the County of Nevada, State of California, and bounded and particularly described as follows, to-wit:

The North West quarter (NW ¼, the West half (W½) of the West half (W½) of North East quarter (NE¼); the North Half (N½) of South East quarter (SE ¼) and the South West Quarter (SW¼) of South East quarter (SE¼) of Section Eleven (11), Township sixteen (16) North, Range 9 East, Mt. D. B. & M.

The object of said action is to obtain the judgment of the Court against said defendants and each one of them, known and unknown as follows:

That all adverse claims to, and all clouds upon the title of plaintiffs to said real property or any and every part thereof be determined by the judgment and decree of said court, and that it be decreed that plaintiffs are the sole owners in fee of said real property and the whole of said real property herein described, being the same real property described in the Complaint of Plaintiffs on file herein and that plaintiffs are in possession of the property and entitled to the possession of the said real property, and the whole thereof, and that the defendants have not, and that no one of said defendants, including the unknown persons made defendants herein, have any right, title, estate, lien or interest of any kind whatsoever, in or to or on the said real property or any part thereof, and that said defendants, and each and every one of them, known and unknown be forever debarred, enjoined and restrained from making or asserting any claim whatsoever in or to said real property, or any part thereof, adverse to plaintiffs, and that the title of said plaintiffs in and to said real property and the whole thereof be forever quieted and adjudged good and valid, and for such other and further additional order, judgment, decree and general relief as is meet and proper in the premises, and for costs of suit.

Given under my hand and the seal of the Superior Court of the State of California, in and for the County of Nevada, this 14th day of January, A. D., 1929.
